

The Beauty of a Secret Garden

With the charm of yesteryear and surrounded by lush gardens with 'private nooks' to enjoy nature at its best, this property is a must see to appreciate. Positioned on the high side with an easterly aspect to catch the summer breezes you will find a lovely home with four bedrooms, spacious living areas and modern kitchen - high ceilings, cedar blinds and timber flooring throughout. The renovated bathroom captures the 'classic age' plus there is an extra shower and toilet in the modern laundry. Downstairs you have a rumpus area with study nook plus extra storage or music room including internal access to the single garage. Step outside for a large covered outdoor entertaining area including a pond or lazy on the wide front verandah and watch the world go by - all this in a fully gated yard with plenty of parking and situated in a great central area of East Port.
